

SERVICES FOR LANDLORDS

If you are a landlord having problems with a tenant, we can help.

We offer specialist advice and assistance in disputes involving tenancy agreements, deposits, rent arrears, anti-social behaviour, and disrepair/ damage to property.

We can help throughout the eviction process to obtain possession of your property and recover rent arrears from your tenant.

For private residential landlords, we have created a competitive fixed fee step by step service for evicting tenants efficiently.
